and**

**14th Meeting of the Finnish Transplantation Society**

**Finlandia Hall  
Helsinki, Finland**

**19-21 May 2010**

We have the pleasure of welcoming you to the XXV Congress of the Scandinavian Transplantation Society (STS) in 19 – 21 May 2010 and the 14<sup>th</sup> Finnish Transplantation Society meeting 19 May 2010 at the Finlandia Hall, Helsinki, Finland.

With reference to your company's participation at earlier meetings, we have the pleasure of enclosing information regarding sponsorship and exhibition possibilities at the above congress.

STS meeting is arranged every second year by each Nordic country in circulating order. There have been approximately 200 participants in these events. The national transplantation meeting is held in Finland also every second year and the number of participants have increased every time. In the last meeting we had about 350 persons attended, all working in the field of transplantation in Finland – including doctors, nurses, scientists, technical staff and patient societies.

The preliminary program of STS will soon be available at the congress website:  
[www.confedent.fi/sts2010](http://www.confedent.fi/sts2010)

We are offering the following categories listed below for the sponsors. The booth areas are adjustable with corresponding changes in the price to be negotiated. Coffee will be served in the exhibition area.

Confedent International Oy is chosen as the organizer for this event and we will indeed do our best to ensure that your participation will be as positive and successful as possible.

We hope that this is of interest to your company and we are looking forward hearing from you.

Yours sincerely
